L'utilisation d'aile de kitesurf dans le cadre d'une école, est une utilisation spécifique et intensive. Les ailes sont en effet soumises à des efforts particuliers notamment à des chocs frontaux violents sur la plage ou dans l'eau lors de l'apprentissage du pilotage par les stagiaires.

Cabrinha déterminera au cas par cas si le produit entre dans le cadre de la garantie.

Afin de répondre au mieux à la demande et d'éviter une immobilisation du matériel trop longue merci de suivre la procédure ci-dessous.

Méthode

Afin de pouvoir répondre le plus rapidement aux demandes de SAV sur les produits école nous vous conseillons de transmettre l'ensemble des éléments du dossier par mail à l'adresse suivante :

Charles Guillemetz : Responsable du Service Après vente charles.guillemetz@pryde-group.de

1/ préparer un dossier photo : il nous faut des photos claires et en basse définition

- 3 photos minimum du problème de l'aile
- 1 photo du numéro de série. (Étiquette blanche avec code barre)
- 1 photo de l'aile complète
- 1 photo ou un fichier PDF de votre facture

2 / indiquer les circonstances dans lesquelles le produit a été endommagé

3/ Si le dossier est complet nous vous confirmerons par retour l'acceptation ou non de la garantie.

4/ Un retour du produit dans nos locaux vous sera alors demandé.

Les dossiers incomplets ne seront pas traités. Il est donc dans votre intérêt de nous les faire parvenir avec l'ensemble des éléments demandés.

CONDITIONS COMMERCIALES ECOLE 2020

CONDITIONS TARIFAIRES

Ce tarif est accessible aux seules et uniques écoles de Kitesurf ou assimilées, et après validation par notre société de leur accès à ce tarif. Ce tarif est valable pour une commande limitée définie avec notre société en fonction du potentiel de chaque école,.

Vous serez considéré comme école partenaire avec l'obligation de donner des cours strapless avec le matériel HB SURFKITE. De notre côté, vous serez répertoriés en tant que école/test center et nous vous enverrons les membres de notre club/clients. Nous voulons faire progresser le niveau de strapless en France avec vous !

MODE DE REGLEMENT

Pour une ouverture de compte, les paiements s'effectuent avant la mise à disposition de la marchandise.

Sinon, les règlements se font par LCR non acceptée à échéance:

Pré-commande enregistrée avant fin décembre : règlement à 90 jours

Réassort ponctuel en cours de saison: règlement à 30 jours

COMMANDE

Chaque commande se fait dans la limite du stock disponible et seul les PO remplis seront pris en compte. Les commandes écoles non effectués via le PO se verront attribuées un prix moins intéressant. Commande minimale pour accéder au tarif: 3 ailes, 1 barre, 1 harnais et 1 board complète.

Toute commande où ouverture de compte entraîne l'acceptation de nos conditions générale de vente. Seules les commandes écrites seront recevables. Elles ne nous lient qu'après confirmation et acceptation de notre part. Les commandes sont à valider auprès du commercial responsable des Ecoles de Kitesurf : Leclerc Louis, 0642340793, distribution@hb-surfkite.com .

TRANSPORT

Nos marchandises voyagent en port payé par le client aux risques et périls du client. Il appartient au client ou de formuler les réserves sur le bordereau de livraison et de notifier dans les délais légaux au transporteur par contestation. A défaut, toute action contre le transporteur se trouverait annulée..

SERVICE APRES-VENTE

L'utilisation dans le cadre d'une école amène des contraintes extrêmes sur les ailes de kitesurf, dues principalement à une mauvaise utilisation et à des erreurs de pilotage du stagiaire lors de son apprentissage. HB SURFKITE se réserve le droit de valider toute demande de garantie sur le matériel utilisé pour les cours de kitesurf.

Aucun retour de marchandise ne sera accepté sans notre accord préalable et la communication d'un numéro de retour. Les frais de retour sont à la charge du client.

Ces conditions commerciales s'appliquent sur le stock disponible lors de la commande.

CONDITIONS COMMERCIALES ECOLES DE KITESURF 2020

Additif à nos conditions commerciales revendeurs 2020

1. TARIF

Ce tarif est accessible aux seules et uniques écoles de Kitesurf ou assimilées, et après validation par notre société de leur accès à ce tarif.

Ce tarif est valable pour une commande limitée définie avec notre société en fonction du potentiel de chaque école, ce tarif n'est pas valable tout au long de l'année et son attribution en dehors des périodes de début d'activité saisonnière de chaque école sera sujet à notre validation.

2. MODE DE REGLEMENT

Pour une ouverture de compte, les paiements s'effectuent avant la mise à disposition de la marchandise.

Les règlements se font par LCR non acceptée à échéance:

Pré-commande enregistrée avant fin Octobre : règlement à 60 jours

Réassort ponctuel en cours de saison: règlement à 30 jours

3. COMMANDE

Toute commande où ouverture de compte entraîne l'acceptation de nos conditions générale de vente. Seules les commandes écrites seront recevables. Elles ne nous lient qu'après confirmation et acceptation de notre part.

JC SOLAU **06 84 13 35 65** **jc.solau@wanadoo.fr**

4. FRAIS DE PORT

Voir page Frais de Port en annexe

5 . TRANSPORT

Nos marchandises voyagent en port avancé pour le client aux risques et périls du client. Il appartient au client ou de formuler les réserves sur le bordereau de livraison et de notifier dans les délais légaux au transporteur par contestation. A défaut, toute action contre le transporteur se trouverait annulée et il ne pourrait rien être reproché à Sports X Sarl, notamment en cas de manquants.

6. SERVICE APRES-VENTE

L'utilisation dans le cadre d'une école amène des contraintes extrêmes sur les ailes de kitesurf, dues principalement à une mauvaise utilisation et à des erreurs de pilotage du stagiaire lors de son apprentissage. Slingshot/ Sports X sarl se réserve le droit de valider toute demande de garantie sur le matériel utilisé pour les cours de kitesurf.

Aucun retour de marchandise ne sera accepté sans notre accord préalable et la communication d'un numéro de retour. Les frais de retour sont à la charge du client.

Ces conditions commerciales s'appliquent sur le stock disponible lors de la commande.
